WHY PARTNER WITH US

Manufacturing

Our dedicated teams ensure high quality and craftsmanship standard remains consistent whether order quantity is 1,000 or 100,000 pieces

MOQ

Minimum order quantity is 2,000 pieces per color, per style. A large order quantity allows higher efficiency at a reduced manufacturing cost.

Lead Time

- ❖ 70-90 days from fabrics approval (Local Fabrics)
- ❖ 90-120 days from fabrics / print design or color selection (imported fabric by sea shipment).

Design & Develop

We can assist customer creating fits and design for garments. We offer choices of fabrication, wide range of accessories and different packaging method: flat pack, boxed pack, hanging garments, etc.

Process & quality

A strict regime of internal audits, critical process check, 3rd party testing on fabric / accessories / garments and Pre-final Inspection @ AQL 2.5 are done prior to shipment.

HR & Policy

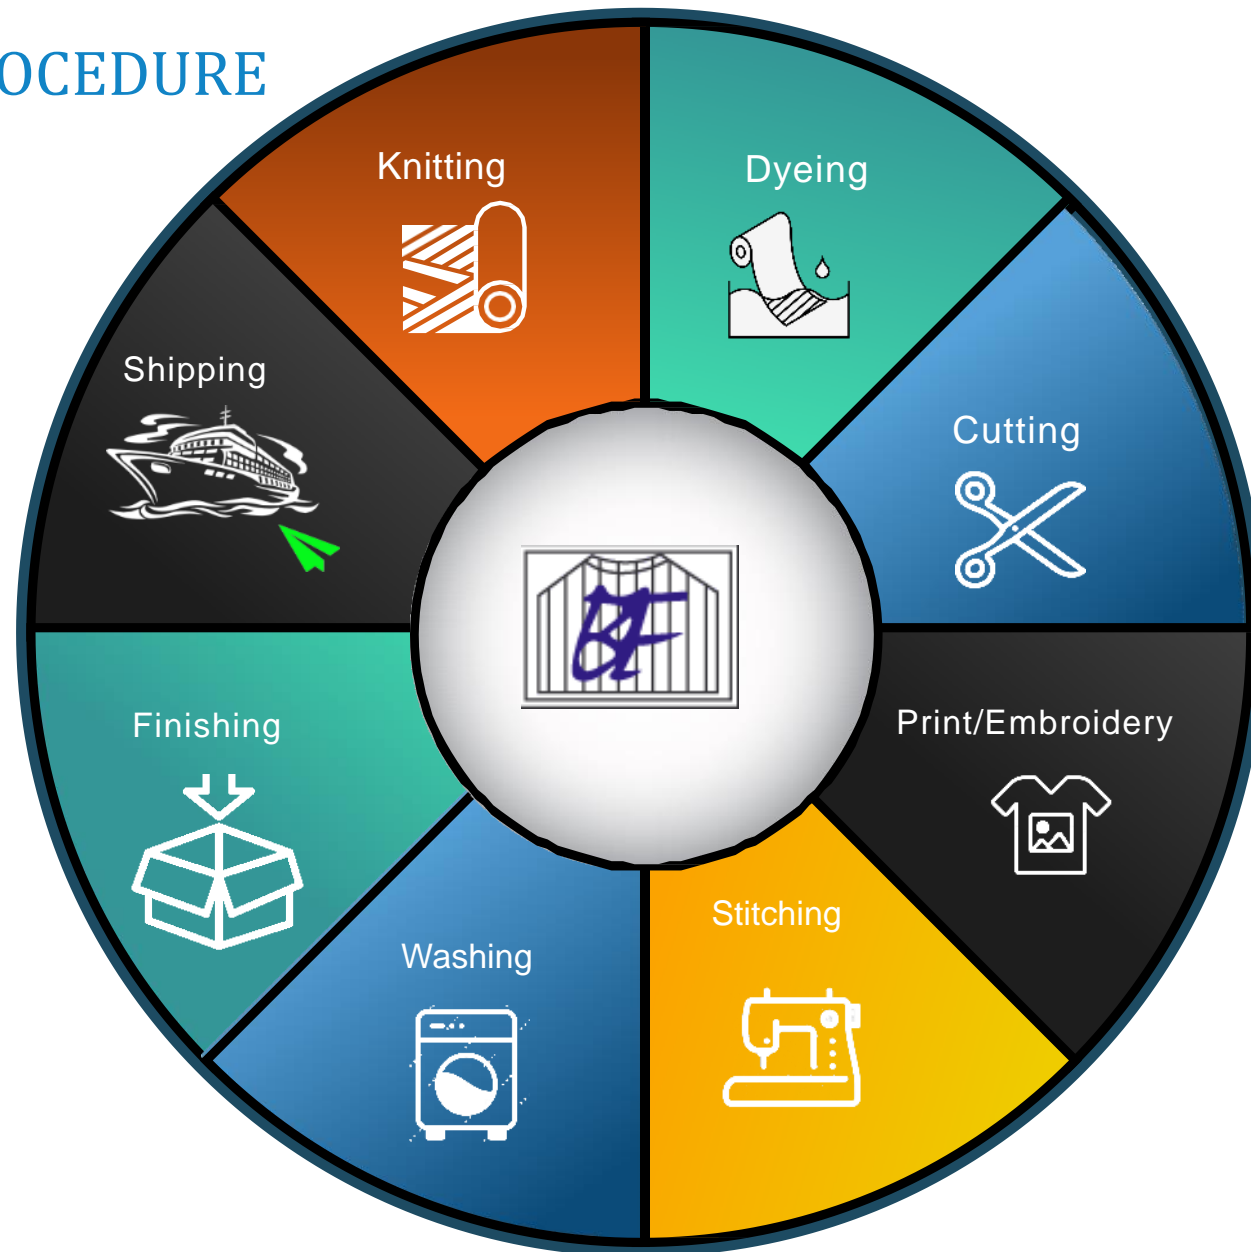

We follow a strict Code of Conduct (CoC) imbedded in our corporate HR policy – a guideline to follow our company's rules and regulations and value every individual, including our employees and customers.

Chairman **Message**

BFL group was founded in 2000, in Dhaka with the dream of serving to the apparel sector. More than 21 years of experience, our company has become a breath of fresh air and a driving force for the industry with both its innovative perspective and quality policies. Today, we export to more than 10 European countries as well as UAE, KSA, New Zealand, Australia. We are one of the reputed company within the sector now. The brands we work with are the company that always have high quality expectations and have a significant share in the sector. As the Chairman and CEO of BFL group, I see our success target as quality at all times and also innovative perspective. I would like to express my thanks to everyone who kept sharing this passion with us.
